These dates are merely a guide. You are welcome to follow this calendar exactly, or change the dates to fit your families schedule. One of the beauties of homeschooling is that you can alter your school schedule to fit your families needs. If your grading quarters are different from those above, simply let me know the dates that you will be using. If you do year-round school, please just make sure that you have at least 40 days in each quarter and finish your school year by May 31, 2017.
